LETTER OF AGREEMENT #12

KEAN COLLEGE OF NEW JERSEY

The experimental course Adventures in Ideas (I.D. 4900) will be offered in the 1975 Spring Semester on an overload basis by interested faculty members. Faculty members ("faculty advisors") will be compensated at the overload rate for two (2) teaching credit hours.

The compensation arrangements for Adventures in Ideas for the 1975 Spring Semester will prevail only for the 1975 Spring Semester and will be considered by the Kean College Federation of Teachers and the College Administration at contract discussions prior to further implementation of the course (Article XII).

Public notice of overload opportunities for Adventures in Ideas will be made prior to faculty assignment as follows:

1. An announcement will be sent to all full-time faculty on December 27, 1974. It will be placed in paycheck envelopes for that date.
2. Faculty applying for overload must notify either the Dean of the School of Education or the Dean of the School of Arts and Sciences on or before Monday, January 6, 1975.
3. The Deans will select faculty for tentative overload assignments. They will then clear each assignment with the chairpersons of departments of which the faculty are members. They will then notify each faculty member of the tentative assignment.
4. Assignments will be verified and contracts issued at the completion of in-person registration on Thursday, January 23rd.
