New Library Science Practicum

LETTER OF AGREEMENT #21

Kean College of New Jersey

The following agreement was reached on April 22, 1975, between representatives of the KCFT and the College Administration.

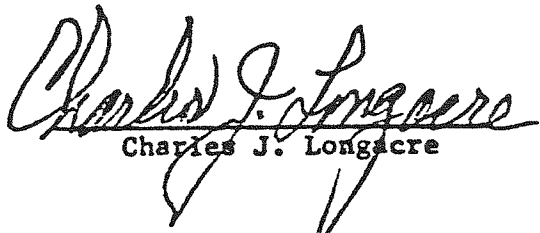

It was agreed that the new "Library Science Practicum in the Field" (L.S. 4040), which has been approved by the Curriculum Committee of the School of Education, will be "loaded" as follows:

1. Four (4) seminar sessions for students to be held on the Union Campus.
2. Eighteen (18) students to be visited once each at their various library/media centers in the field.

This is to constitute a three(3) credit load for one faculty member.

It was further agreed that the Library Science faculty would offer this experience beginning with the Fall 1975 semester.
