LETTER OF AGREEMENT # 65

Elected Faculty member added to Committee

KEAN COLLEGE OF NEW JERSEY

LETTER OF AGREEMENT #65

The Kean College Federation of Teachers and the College Administration have reached agreement on the matter of adding one elected faculty member to each of the following committees:

1. All-College Promotion Committee
2. School of Arts and Sciences Retention and Tenure Committee
3. School of Education Retention and Tenure Committee

The addition of one elected faculty member with full voting privileges to each of these committees will mean that these three committees will have six faculty members and three student representatives with full voting privileges and a non-voting faculty member (observer) appointed by the Faculty Union.

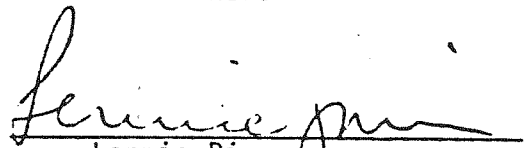

In the event that the existing interpretation which limits the Union appointment to these committees to a non-voting faculty member (observer) is changed, either through legislation, contractual agreement, or other means, then each of these three committees would return to five elected faculty members, three student representatives and the Union appointment who would then have full voting privileges.
